The Caminata is organized by HABLA, the River Glen parent non-profit organization dedicated to providing all River Glen students the best possible, most well-rounded education possible.

JOIN US & SUPPORT OUR STUDENTS!

River Glen School is hosting its biggest fundraiser — our annual Caminata. It's a walkathon and community festival where over 500 people come for a day full of walking, bouncing, climbing, auctions and loads of fun!

All proceeds from the day's activities support our nationally recognized curriculum and richly diverse programs. River Glen is San Jose Unified's original two-way immersion Spanish-English program.

JOIN US IN PERSON OR IN SPIRIT!

P.S. Use the enclosed envelope to support one or more of our youngest students listed on the back!
