

Caminata Silent Auction Ideas

We're looking for donations of unique experiences, services and products from local businesses (hopefully with a value of at least \$250). If you own a business, lets talk about what you can offer. If you know a business owner, let's talk about what to ask them for.

Here's a list of ideas that some are working on (just to give you an idea)... a week of summer camp at a gymnastic center, a group of 6 tickets to a kid-friendly ballet, a two-night stay at a local hotel with dinner for two, an X-box donated from MicroSoft).

Also, think creatively if you have a talent, some really great items can be ones like...two dozen homebaked cookies the first Sunday of each month for a year, X hours of gardening in May, knitting lessons. You tell us your talent and we'll figure out a way to turn it into a money making auction item!!!
